

The Center for Children with Special Needs

www.cshcn.org

Who we are

The Center for Children with Special Needs is a program of Seattle Children's Hospital and the Washington State Department of Health. Our mission is to improve and promote the health and well being of children with special health care needs and their families. We focus on providing information to families and health care professionals in the Pacific Northwest (Washington, Alaska, Montana and Idaho).

Where to find us

www.cshcn.org

Our website provides information on children who have chronic health, developmental, behavioral or mental health conditions. If you are a parent or caregiver, a health care professional, or an individual with special needs, you will find information designed to help you.

Parents & Caregivers

- Get started after a new diagnosis
- Find support
- Locate resources
- Tools to help organize care
- Learn about IEP and 504 plans for school
- Helping your teen to transition to adult care

Teens

- Manage your health
- Plan for moving to adult health care
- Move toward independence
- Find employment resources
- How to talk with health care professionals

Professionals

- Find county specific resource guides to give to families
- Use care coordination tools
- Find lifespan care guidelines for cerebral palsy, sickle cell and cleft lip and palate
- Summer camp directory
