

Autism Spectrum Disorder Resources

For Washington State Families

Autism Society of Washington

www.autismsocietyofwa.org

(888) 279-4968 info@autismsocietyofwa.org

Non-profit organization providing autism-related information and support to individuals with Autism Spectrum Disorders and their families. The web site offers information on statewide autism-related resources, events and educational opportunities, as well as information on local support groups.

Autism Guidebook for Washington State

www.doh.wa.gov/cfh/mch/autism/Guidebook.htm

(360) 236-3571 <http://here.doh.wa.gov/materials/autism-guidebook>

Comprehensive guide for families and professionals addresses a variety of autism-related issues from birth through adulthood. Provides an extensive resources section for those caring for or providing services to an individual with an autism spectrum disorder.

Early Support for Infants and Toddlers

www.del.wa.gov/esit 1.866.482.4325

Early intervention services during the first years can make a big difference in a child's life. This state program helps families get their young child with a disability or developmental delay, like autism, into birth to 3 services.

Family Health Hotline

1-800-322-2588

Connects families to nutrition programs, Medicaid, child development screening services, and resources for families of children with special health care needs.

Parent Help 123

www.parenthelp123.org

Interactive web site helps Washington State families apply for health and food programs online, and locate resources in their local communities. Provides health information for pregnant women, parents of new babies, and families with children.
