

Planning for Transition to Adulthood for Youth with Developmental and Intellectual Disabilities

This list provides resources for transition to adulthood for youth with developmental and intellectual disabilities and their families, including high school transition, legal issues and employment.

Transition from School to Adulthood

This comprehensive guide explains services your child may need as an adult, what they do and how to connect with them. It covers Supplemental Security Income (SSI), Developmental Disabilities Administration (DDA), employment, transportation, special education, housing, care and respite. From the ARC of King County.

Transition Toolkit

If you like working from a checklist that suggests what to do and when, this toolkit is for you. It provides suggestions for what services to start planning for, a transition timeline and checklist of skills, activities and services to use to make your child's high school transition plan for their IEP.

Legal Information

What to do When Your Child with Disabilities is Turning 18

Parents do not automatically have the authority to make legal decisions for their children who turn 18. Learn about the "Consent to Health Care Statute", what a representative payee is and where to find legal help at www.washingtonlawhelp.org/resource/what-to-do-when-your-child-with-disabilities/download/006F0A59-59A5-46B2-A269-8A72A9FBB9A3.pdf

Guardianship Legal Information & Resources

At Washington LawHelp.org, you will find general legal information and resources about guardianships in Washington State including guardianship forms for many counties.

Guardianship Information Packet

A guardianship is created when a court authorizes you to protect the personal rights and finances of your adult child. This packet answers common questions and provides informational resources.

Employment

Find a School Transition Counselor

Transition services are planned thru a team that provides support and guidance to students with disabilities as they prepare to move from high school to the work place. Use this resource to find the transition counselor in your school district. From Washington DSHS.

www.dshs.wa.gov/ra/dvr/school-transition

Navigating the Employment System

Explains how to connect with the right organizations and services for employment after high school. Includes a checklist for accessing adult services prior to seeking employment (from King County but some information may be helpful to all families). www.kingcounty.gov/depts/community-human-services/developmental-disabilities/services/employment/navigation

Websites

Informing Families Building Trust

A variety of transition planning information and links to videos.
